Dear Show Manager:

The Texas Junior Livestock Association has been an evolving process for the past 40 years. We have added divisions, taken away a division, and changed the way we do TJLA Official Showmanship. Some of you have been show managers of those shows for at least 30 years and there are a lot of show managers now that were once exhibitors of this Association.

Today, I am sending you sanctioning contracts with lowered sanctioning fees. If you have been a sanctioned show that is good news. I also am doing away with all other previous discounts. We have had a challenging year. Many personnel changes have taken place, and I feel that we have streamlined many of our procedures. The thing that we must do is have better communication with you. We know that showing livestock is an expensive hobby. We are doing our best to cut costs and pass those cuts in cost on to you and to our member.

Please read these contracts, and for those of you who know you are going to retain the same date, please fill them out and send them in. The show that is on the calendar early will have the advantage when the shows begin taking place this spring. We have simplified the fees, so that each sanctioned ring is the same cost. If you are interested in the double point shows there is a place for you to fill that out and send it in. Doubling the points on a show will cost an extra \$50.00. If you are interested in that, you have a place to note that on your tabulation sheets.

I am very proud of the fact that you have helped us continue as an association for the past 40 years, and I hope that others who were not sanctioned shows will join us for the first time.

If I can be of help, please contact me. I feel that the TJLA is a place of where we serve you, and that is the way I hope it will always be.

Sincerely,

*Cherie Carrabba Bright*

- 3) Fee Terms: Sanctionee agrees to pay Sanctionor a pre-determined sanctioning fee (*see page 4*) for the 2022 approved steer and/or heifer, lamb, pig, or goat show. This sanctioning fee is due and payable 60 days prior to said show.

In the event the Texas Junior Livestock Association exercises the right retained hereunder, it shall refund, or, as may be the case, release Sanctionee from liability for payment in the amount of the sanctioning fee. Should Sanctionee exercise said right to terminate the contract, the Sanctionee agrees to forego any and all claims for damages against Sanctionor, and further agrees to waiver any and all rights which might arise by reason of the terms of this contract, and Sanctionee shall have no recourse of any kind against Sanctionor. Should Sanctionee decide to change the dates of a sanctioned show after the beginning of the 2022 Awards Year, then there shall be no penalty as long as Sanctionee contacts the TJLA Office about the change of dates at least 30 days prior to the revised date of the show. If the sanctionee decides to change a date again, there will be a \$25.00 penalty and on the third change there will be a \$50.00 penalty.
- 7) Sanctionee agrees to pay a **cancellation fee of \$50.00 per ring** for any show cancelled within 30 days of show date. It is understood that should Sanctionee cancel their show within 30 days of its show, for any reason other than a natural disaster (flood, tornado, etc.) that the Sanctionee will be charged a **\$50 administrative fee** for the work done by Sanctionor in connection with the show.
- 8) Separation of Parties: It is expressly understood that the Texas Junior Livestock Association of Houston County being the Sanctionor grants to the Sanctionee as an independent contractor, and the ASSOCIATION shall exercise no supervision or control over the employees of the Sanctionee, or others in the service of the Sanctionee; and the Sanctionor shall provide no special services other than those specifically mentioned herein. Nothing contained in this contract shall be deemed or construed to create a partnership or joint venture between the Sanctionor and Sanctionee, or cause the Sanctionor to be liable in any way for the debts or obligations of the Sanctionee.
9. This contract shall become null and void if not properly executed and returned to this office within 60 days prior to the TJLA Sanctioned Show. Remit to TJLA Office, P.O. Box 1088, Crockett, Texas 75835-1088.

10. Rules and Regulations in Regard to Show Approval: Sanctionee hereby agrees to comply with the following TJLA Rules and Regulations in regard to show approval:

- a) Sanctionee agrees to sign and return a License Agreement at least thirty (30) days prior to Sanctionee's said show or contest. No show whose contract is not on file in the TCCA office by January 15, 2022 can count in the 2022 official TJLA awards program.
- b) Sanctionee agrees to open the show to all members who are in good standing with the Texas Junior Livestock Association and are official members of a 4-H or FFA organization within the state of Texas. This does not preclude opening the show to 4-H and FFA members from other states; this is up to the individual show management and the Texas Animal Health Rules and Regulations.
- c. Sanctionee agrees to allow the TJLA to put up banners at their show completely at the TJLA's expense should the TJLA choose to do so.
- e) Sanctionee agrees to publicize prior to the show how much of the entry fees will be paid back to the exhibitors. Sanctionee may do this by publicizing a percentage, a breakdown of the entry fee, or any similar means.
- f) Sanctionee agrees to allow Sanctionor to set up a booth at Sanctionee's show or contest without charge to Sanctionor. This booth shall be set up at the expense of Sanctionor and shall be used to promote the Texas Junior Livestock Association, its sanctioned shows and merchandise.
- g) Sanctionee agrees to submit the results of said show or contest in its entirety to the Texas Junior Livestock Association office within ten (10) days of the completion of said show or contest. ALL show results become the property of the Texas Junior Livestock Association and may not be reproduced without written permission.
- h) Any show not returning results within two weeks of their show will be penalized an increase in sanctioning fees of \$50.00 per Ring. If Sanctionee does not report the results to Sanctionor within thirty (30) days after the show, requests for approval of any subsequent show may be denied. Failure to report the results of the show within thirty (30) days may result in a fine of \$100.00 per ring and the name of shows with missing show results will also be reported on www.theshowbox.com and or The Showbox Magazine.**
- j) Sanctionee understands that Sanctionor will not publish Sanctionee's show as one of the official Texas Junior Livestock Association Sanctioned Shows for 2022 until License Agreement has been signed and returned to Sanctionor. This may result in Sanctionee's show not being listed in some official Texas Junior Livestock Association publications for 2022.
- k) Sanctionee will not hold Sanctionor responsible for the formation or enforcement of Sanctionee's individual show rules. These are the sole responsibility of Sanctionee.
- l) Sanctionor will not be responsible for incorrect results submitted by any Sanctionee.
- m) Sanctionee agrees to give information on the breed identity of animals whenever breeds are mixed in competition.
- n) Sanctionee agrees not to allow sanctioning by any other organization or club calf, lamb or pig association other than the Texas Junior Livestock Association without the express written permission of the TJLA. Sanctionee entering into other sanctioning contracts without express written consent risk having their points excluded in the Association's point tabulation for the current year.
- o) No show will be sanctioned at the same time as the TJLA's Camp, Belt Buckle Bonanza, or Fall Classic.
- p) Sanctionee understands that the TJLA may not approve any official show or contest within a one-hundred (100) mile radius of another TJLA sanctioned show or contest.
